"Becoming a part of LK10 has helped me to become more comfortable with who I am and appreciate how God has helped my husband and I learn to blend our gifts for the advancement of the kingdom. I'm on LK10 daily learning more and more about simple church. Your encouragement to become a part has been the beginning of a new season of learning, leaving and loving. Learning things that resonate very deeply with my spirit. Leaving things that I now understand are not Christ but traditions of men and loving others more as I understand how much God loves people and how it's not about me. Thank you for sharing how God uses you to advance the kingdom and thank you [Peg Batcheller] for being my sister. It has met a deep need in me.

Lk 10 has been a wonderful place of refreshing. It's a place where we can share stories about simple church and know that those hearing our stories value the telling and celebrate the journey."
